The Timber Mart North® *Price Report* provides state-by-state stumpage prices by species and product for Michigan, Minnesota, and Wisconsin. Semi-annual (April through September and October through March) prices are based on weighted averages of public agency timber sales in the Lake States region.

Timber Mart North® Price Report is presented in an easy-to-follow format with each state divided into sub-regions to help readers keep abreast of local fluctuations and price trends.

Timber Mart North is published twice a year. To subscribe, please print and complete this [form](#) and mail or fax to:
